
LESSON 2:

Bone Structure and Types of Bone Joints

Three Types of Bones

Long bones

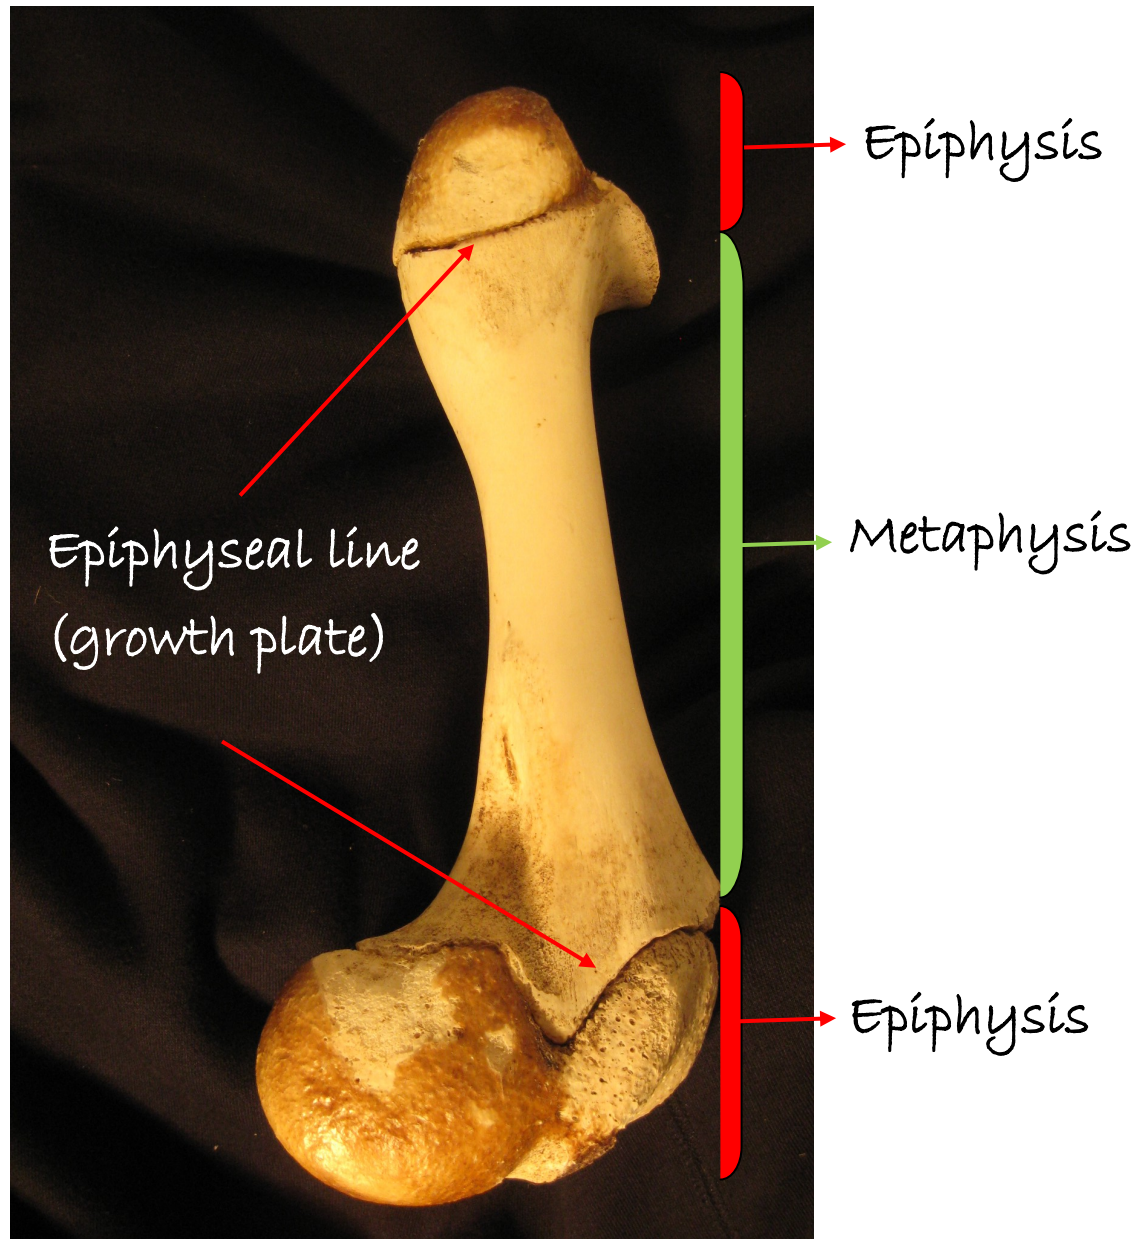

Flat bones

Irregularly-shaped bones

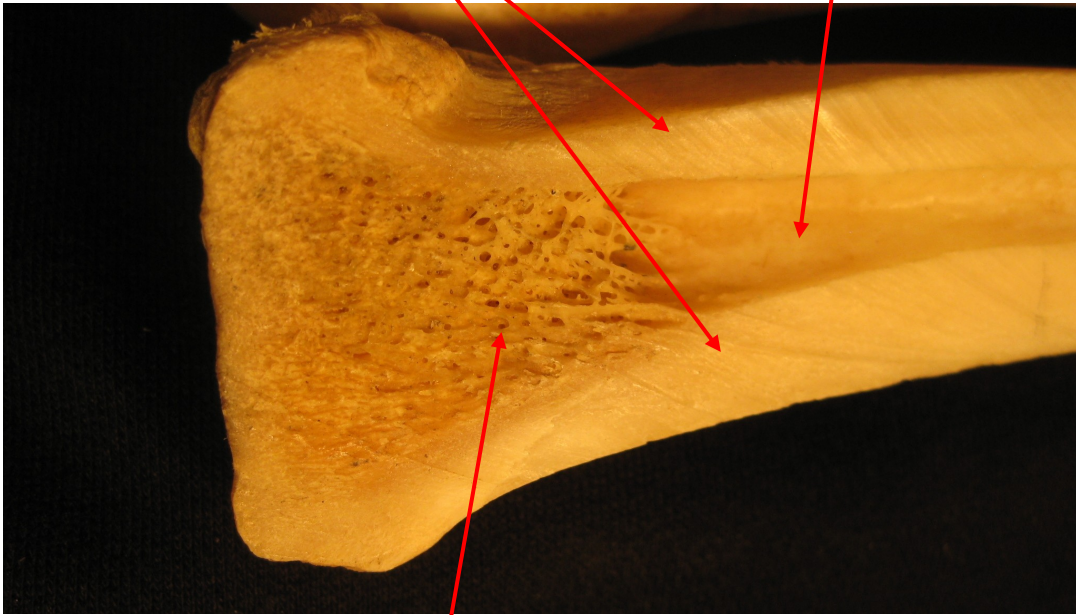

Parts of a Long Bone

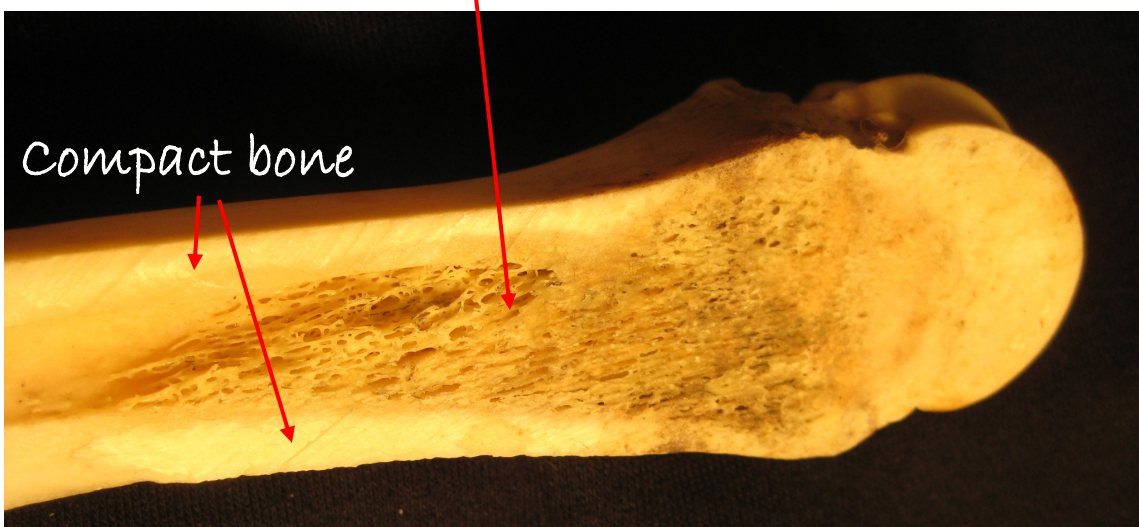

Types of Bone Tissue

Compact bone

Marrow cavity

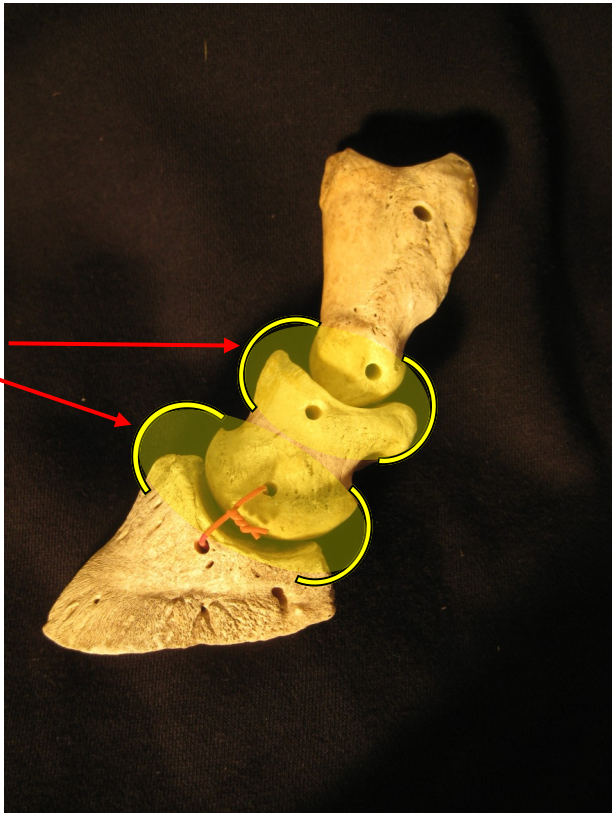

Spongy or cancellous bone

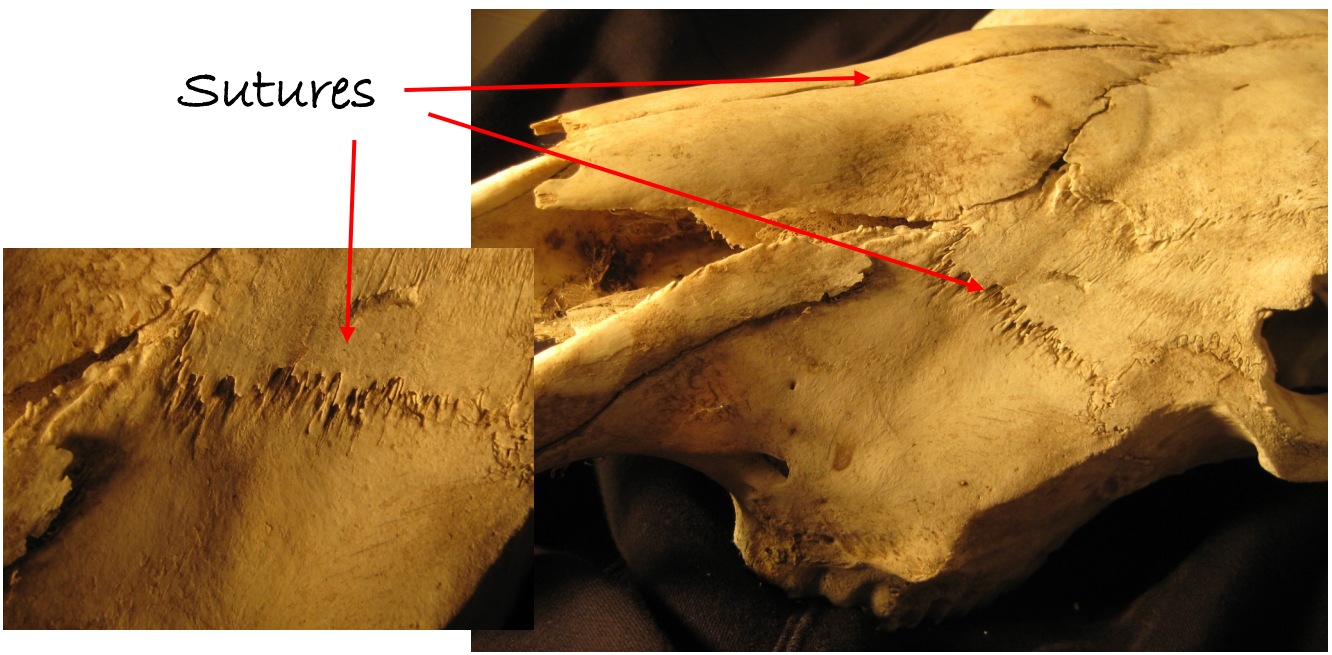

Compact bone

Types of Bone Joints

Synovial joints

Sutures

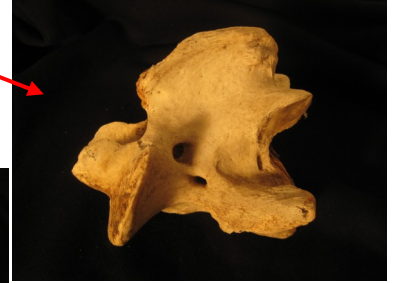

Lesson 2 Assessment

1. Type of bone:

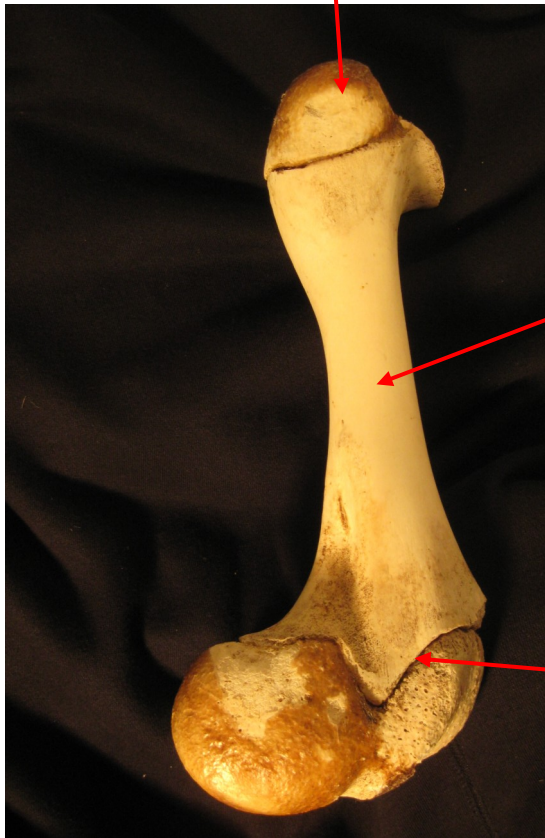

2. Type of bone:

3. Type of bone:

4. Bone part:

5. Bone part:

6. Bone structure:

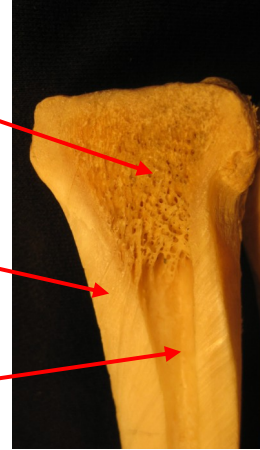

Lesson 2 Assessment (continued)

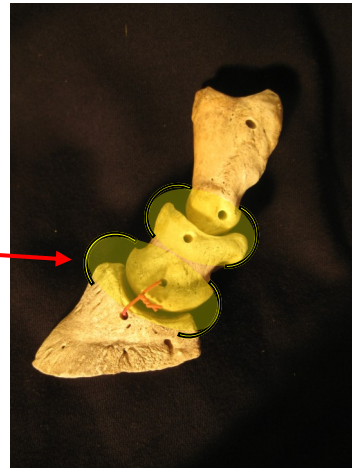

7. Bone tissue:

8. Bone tissue:

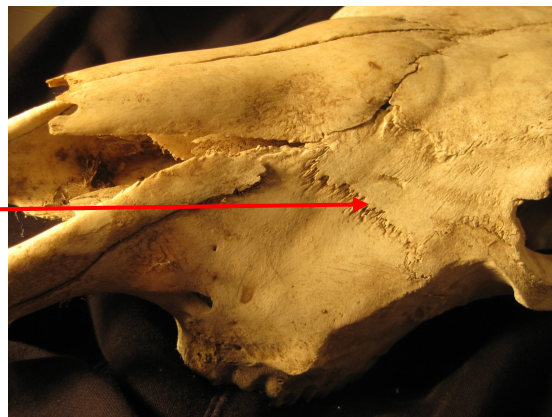

9. Space:

10. Type of joint:

11. Type of joint:
